## This Week's News

---

### Welcome to Wolf Tracks!

We are pleased to present the first edition of our new weekly newsletter, Wolf Tracks. Wolf Tracks comes to you directly from the school and will contain information on school and district events, clubs and activities, and more! We hope this email will provide you with a concise way to stay informed.

### Please Take Our Survey

As we assess the needs of managing the Challenge School parking lots, we are considering the option of allowing carpools of four students or more to use the carpool lot. Please help us collect data by [completing this survey](#), so that we may make an informed decision. Thank you!

## Science Fair

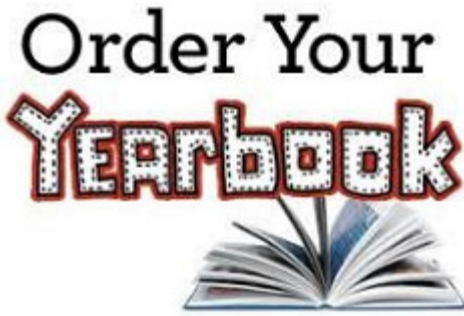

7th and 8th graders will be presenting their science projects on Thursday, January 18th, from 6:15-8 pm. Projects will be judged by district high school students. The science fair allows students to explore their passions while using the scientific process. We are proud of their hard work!

## AmeriTowne

We are excited for our 3rd and 4th Graders to participate in AmeriTowne on January 19th. This is a unique opportunity for students to practice profitably and justly operating a simulated town, while giving back to charities. Students will go on job interviews, earn salaries, elect a mayor and judge, create laws, and more!

## Yearbooks On Sale Now

The 2018 Challenge School Yearbooks are for sale! The price for the yearbook is \$26, and a World Book insert of the news and events from 2017 is \$3. After January 20th, the price of the yearbook is \$28, and the insert is not available. The yearbooks will be distributed the last week of school in May. The order form [is attached here](#), and can be handed in to the main office (checks made out to Challenge School). Don't miss out on the memories -- order yours today!

Get your Golden Ticket! The students at Challenge are incredibly excited to see the live performances of Willy Wonka Jr. This production promises to be scrumdiddlyumptious, and would definitely rate as a "Good Egg" on any eggdicator test. Visit our website or [CLICK HERE](#) for more information on dates and a link to the ticket sales website. Only a vermicious knid would miss out!

### Jump Rope for Heart

Over the next few weeks, Challenge School students will be learning about taking care of their hearts, and helping others when they can. Jump Rope for Heart events will be taking place between January 9th and February 2nd. These events also earn certificates that allow the school to purchase new PE equipment. For information on prizes, a fun interactive app, and more, please [Click here](#).

### Martin Luther King, Jr Day

No school on Monday in honor of Martin Luther King Jr., and his legacy of justice, compassion, and truth. [Click here](#) for ideas from Coretta Scott King on how to commemorate the King holiday.
