## This Week's News

### Jeanne Cahn's Retirement

After 21 years at Challenge, I have decided to retire at the end of this school year. Although I don't know what the future holds, (hopefully some grandchildren) I know that I will continue to make art, play lots of tennis, travel and spend more time with my family. It has been a pleasure being a part of this incredible school community with awesome kids, supportive families and an incredible staff. Thank you to the many families who have helped me over the years. I will especially miss my amazing colleagues who have been my second family for so long.

With great affection,  
Jeanne Cahn

## AAC & PASS Meetings

Please join us for our upcoming AAC (Advisory and Accountability Committee) meeting which will be held on Tuesday, February 6th at 5:30 p.m. See the agenda [here](#).

The PASS (Partnerships for Academically Successful Students) meeting will immediately follow the AAC meeting at 7:00 p.m. on February 6th.

Everyone is welcome to participate in meaningful conversations as we build a better Challenge School Community.

## Willy Wonka Jr.

The Challenge School Musical, Willy Wonka Jr., is coming together! The backdrop has been painted in beautiful, candyland inspired colors. Plans for all the props, costumes, lighting, sound, program, and set building are in full swing. Our talented actors have also been hard at work learning choreography, practicing their scenes, and making this the best musical it can be! This wonder-filled land is being brought to life before our very eyes with splashes of color, fragments of vocalization, and lots of hard work. It is sure to be an incredible show! ## Find Heart Hero Harry

Heart Hero Harry will be hiding around Challenge School during the week of January 29th to deliver his heart healthy messages. If a student finds Harry on all five days, he or shee will be entered into a drawing to win Harry's backpack filled with great prizes. For more information, [click here](#).

### TSA Club

The TSA Club, for our middle schools students, meets Mondays, from 3-4:30. TSA Club is a national program which focuses on technology, engineering, and leadership. Students spend six months preparing for competitive events such as underwater remote operated vehicles, digital photography, Junior Solar Sprint Race, video production, and more! Challenge School's chapter will attend the annual Colorado Technology Student Association Conference February 22nd-24th.

### Team E Play Auditions

All the world's a stage! Auditions for grades 7 and 8 will be held for the spring play from 3:10-5:00 p.m. on Monday, February 12th. All 7th and 8th grade students are invited to come and try out. You never know who might be the next Lin Manuel Miranda-- or the next YouTube star!
