

Summer Reading List Team C: Grades 3 and 4

Students entering 3rd and 4th grade are required to read a book from the Who Was Biographies series. These books can be read and discussed with your child to enhance learning and comprehension. We encourage all students to read more than just one book from this great series. Your child should write a short summary (8 to 10 sentences) to give to his or her teacher on the first day of school. This short summary should be hand written. We will be starting the school year with a unit on autobiographies and biographies.
